

# Prayer and Thanksgiving for the Roma

April 2013

# International Roma Day ♦ April 8, 2013

To persecute groups like the Roma is to persecute our own secret selves. To criminalize an entire ethnic group is to vandalize our own secret identities. . . . In our hearts we know that we are all misunderstood. How easy then to turn against the weakest in our midst and blame them for all our ills. The Roma are in danger of becoming the scapegoats for our fears. The real crime is ours, the crime of turning their life into a waking nightmare.

—Salman Rushdie

## Prayer

Embracing God, we thank you for all who courageously reach out to heal the rifts of exclusion, poverty and violence in your world. We give thanks for the patience, courage and life spirit of the Roma, as individuals and as a people in history. Help us to celebrate and give thanks for Roma people and welcome them to the table of kinship, so they need never again hide their identity or flee in fear.

We believe that your perfect love casts out fear. And yet, we come together as people with the all-too-human fears that diminish perfect love: What will we eat? What will we wear? What if we lose respectability? What if our neighbors take advantage of us? What if someone wants to hurt us? What if . . . ?

Help us to feel and extend God's boundless love. Help us to take on the courage of the One who walks beside us on our journey. Help us to preach the courage to care and bring that care into being in our homes, congregations, communities, nation and world. Make us instruments of your peace as we expand the circle of caring that helps heal what is broken in our world. May our prayers of thanksgiving for Roma and our prayers for access and inclusion for them continue throughout the year.

All this we ask in the name of Jesus Christ, whose courage to care is our example.

Amen.

April 8, 2013, is International Roma Day, a celebration of Romani culture, history and people. It's also an opportunity for those of us who know little about the Roma (often pejoratively called "gypsies") to learn about them, and to move past stereotypes and media depictions. Roma continue to face exclusion, stigmatization, illegal deportation, and denial of their basic rights to shelter, clean food and water, education and other services. They are citizens of the European Union, as well as other states in the world.

The European Roma Information Office notes that Roma face discrimination in many forms—"institutional discrimination such as forced evictions, school segregation and restricted access to adequate housing, health, education and employment opportunities. . . . [and] on a day-to-day basis in the form of violence, negative stereotypes, intolerances and prejudices" (press release, March 21, 2013; [www.erionet.eu/doc-press-release-international-day-against-racism-2013](http://www.erionet.eu/doc-press-release-international-day-against-racism-2013)).

## Pray

Hold International Roma Day and Roma people in your daily prayers. Pray for peaceful and positive demonstrations. Pray that those who stigmatize or loathe the Roma will not be moved to hate speech or violence. Pray that

people of the majority culture all over Europe may come to see Roma as fellow children of God. Pray for tolerance and forgiveness on both sides.

## Scripture

The way God designed our bodies is a model for understanding our lives together as a church: every part dependent on every other part, the parts we mention and the parts we don't, the parts we see and the parts we don't. If one part hurts, every other part is involved in the hurt, and in the healing. If one part flourishes, every other part enters into the exuberance.

—1 Corinthians 12:24–26

### Scripture

“The alien who resides with you shall be to you as the citizen among you; you shall love the alien as yourself, for you were aliens in the land of Egypt: I am the LORD your God.”

—Leviticus 19:34

### Prayer

O God, we bring before you hearts and minds divided by fear. Move us to bind up those who are wounded, warm those who are chilled, feed those who are hungry and heal those with diseases of the body, mind and spirit.

Be with the Roma, oh God. Move the hearts of the communities who segregate and exclude the Roma. Infuse hearts and minds with your love, we pray. And move us to be faithful and to continue our prayers for Roma in the days ahead.

In the name of Jesus, healer, comforter and friend to the stranger. Amen.

## Scripture

“Do not abuse any widow or orphan.”

—Exodus 22:22

## Prayer

I praise you, Jesus. Lead us to those paths you want us to walk. I pray for Roma people, that they would bow before you. I pray for Roma, that they would stop playing gaming machines. Descend upon them, make them free of those machines. May they find their way to you. I pray for loan sharks. Nothing is impossible for you. Stop their tricks that they would stop preying on poor people. You said, “For everyone, who knocks, the door will be opened.” And I pray for the government—you see, o Lord, how they curtail our social benefits and how our living costs are sky-high. I put the government in your hands. I put our church into your hands, as well as our pastor and our praise. Thanks to you we know the truth and we are changed for the better. Bless them. Thank you. Amen.

## Scripture

“People were bringing little children to [Jesus] in order that he might touch them; and the disciples spoke sternly to them. But when Jesus saw this, he was indignant and said to them, “Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs.”

—Mark 10:13–14

## Prayer

Today, our God, we lift up to you all children who suffer poverty and exclusion, especially Romani children. We pray for each child who has to earn money to feed his or her family, who has no boots where the way to school is muddy or snowy, who has not learned the national language since their old settlement was bulldozed and they were forcibly relocated, whose sister burned her schoolbooks to keep her babies warm, who has never seen anyone get up every day and go to work or heard anyone talk about work in a good way, who must trade pencils and backpacks for food.
