Reserve Your Personal Ad(s) for the 2027 Churchwide Gathering Program Book!

A Threefold Cord Is Not Quickly Broken —ECCLESIASTES 4:12b

The Churchwide Gathering program book is not only a thorough event guide but a celebration of PW community that sparks programming possibilities for years beyond closing worship. While most events no longer provide program books, this is not so for Presbyterian Women! For Gathering attendees, the program book is a well-loved, often dog-eared and annotated keepsake. The pages, like hearts, open wider through PW personal space ads, where PW women and groups share best wishes, prayers, ministries, events, gentle humor, joys and concerns, lovingly honor or remember friends in faith.

Ideas? Honor your PW sisters! Thank and pray for your voting reps. Send greetings from afar! Invite your church, presbytery or synod to affirm their attendees. Pay homage to a mentor, PW leader or foremother in faith who continues to inspire your faith journey. Celebrate a PW project, ministry or gathering! The 2027 Churchwide Gathering program book is your opportunity to express who and what makes Presbyterian Women special. And, beyond creating a time capsule of this PW moment, ad sales revenue offsets the cost of printing the program book.
