PW Puzzier Seek and Find the Galt House

The 2018 Churchwide Gathering will take place at Louisville's historic Galt House Hotel, located on the banks of the lovely Ohio River. Although there is a skyway that connects the Galt House with the Kentucky Convention Center (very fun to walk!), all Gathering activities (excluding optional mission tours and the justice and peace march) take place within the Galt House hotel.

Since (just about) everything is happening in the hotel, this month's puzzle provides a bit of familiarity with the names of the various workshop rooms and so on. You are welcome (in advance).

First, here is a Galt House geography lesson:

The Galt House has two towers that span one street (and are connected by pedway, which is accessed on the third floor):The Rivue Tower and the Suite Tower.

Rivue Tower

If you are planning to stay in the Galt House, chances are your accommodations will be in the Rivue Tower. You will know that your workshop or meeting is to be held in the Rivue Tower because the rooms are named for either flowers (second floor) or trees (third floor). Of course, this all works nicely and is in good order except for three rooms (Cochran, Addition, and Archibald) that are obviously not botanically named. Sigh. Moving on ...

Suite Tower

Hotel reservation check-ins and -outs are on the first floor of the Suite Tower. Take an escalator, stairs or elevator to the second floor for Gathering registration and check in. The second floor is also where you will enjoy plenary, the exhibit hall, and the Presbyterian Bookstore. The onsite UPS Store is on the second floor as well. Workshop and meeting rooms in this tower are mostly named after Kentucky governors through the ages. Unless you are a serious Kentucky history buff, chances are you won't recognize these statesmen (and one stateswoman). That's okay! If the name seems like a surname, then it probably is! And if so, chances are, your workshop is either on the second or third floor of the Suite Tower.

Extra credit: If you are a voting rep (and you know who you are), then you will do your voting rep business (as in the Business Meeting) in the Archibald Room, which is in the _____ Tower, third floor. {Answer: Rivue]

This seek-and-find will help you seek-and-find-and-familiarize your way through the Galt House.
