Mother's Day celebrates
the women in our lives who have
helped us become who we are.
Sometimes we're related to the women
who raised us. Other times,
we've chosen them or they've chosen us,
at the points in our lives when
we needed them most. Ruth and Naomi
are two women who demonstrate
this idea with their lives. As sisters
in faith—my Naomi to your Ruth,
my Ruth to your Naomi—I celebrate you
with a gift that honors our shared life of faith.
A gift has been given in your honor
to the Presbyterian Women's Annual Fund
(the Mission Pledge),
which makes possible the work of
PW at all levels of the organization.
