Located in the most diverse square mile in North America, **Memorial Drive Ministries, Inc.**, a partnership between the Presbytery of Greater Atlanta and six other churches, provides a welcoming environment for the vibrant ministries that call the Memorial Drive campus home. The Birthday Offering grant will provide a desperately needed roof to replace one that leaks onto the gymnasium floor where sewing, karate, dance, frisbee, badminton, basketball and other after-school activities take place. This costly but necessary fix will ensure that Memorial Drive Ministries can continue to provide a place of welcome to diverse worshipping communities and innovative community services.

Nkhoma, Malawi
\$129,145

The Nkhoma Mission Hospital in Nkhoma, Malawi (located in southeastern Africa) offers affordable, accessible healthcare services for all, inspired by the love of Jesus Christ. The Birthday Offering grant will provide funds to build an obstetrics and gynecology-specific operating room next to the existing prenatal and maternity wards. This new theater will help decrease delays and reduce maternal deaths caused by having to move patients a significant distance across the hospital's grounds. This theater expansion will aid in the hospital's goals of becoming more self-sustainable by expanding the surgical services that are offered and living into its vision of being a leader in quality, Christian healthcare and training in Malawi.
