

# ENJOY SPECIAL SAVINGS ON SELECT PW/HORIZONS BIBLE STUDIES

***What My Grandmothers Taught Me: Learning from the Women in Matthew's Genealogy of Jesus*** by Merryl Blair provides a unique glimpse into the lives of women intimately connected with Jesus and his life and ministry. Although many PW groups are currently studying *What My Grandmothers Taught Me*, why not consider others you know in faithful discipleship who would benefit from this study as well?

Provide a copy (or two!) to your pastor, favorite Christian educator, or other student of scripture for sermon or church school possibilities. Help them encounter and lovingly consider the women who, although often mis- or under-represented in history, mattered to Jesus. The study is available in several editions (English, Spanish, large print, audio), and a rare sale on printed studies and select supplemental resources runs until **May 18, 2022!**
