We invite you to step away from the everyday, take a break and join us at the Resilient Woman retreat as we explore the stories of resilient women from the Bible, the enduring legacies they left behind, our own spiritual journeys and the impact they have made on the world.

Together we will:

- Ignite the spirit of togetherness among women by sharing our stories and lives with other women of faith
- Take a look at the stories of the women in the Old Testament whose legacy is an example for us today
- Explore our own journeys and legacies and their impact on the world around us
- Align with what God is calling us to do today through spiritual practices
- Worship together
