Presbyterian Women's 2023 United States Mission Experience (USAME) to the Border

Presbyterian Women's 2023 USA Mission Experience brought together 18 Presbyterian women, representing multiple synods, who traveled to Arizona and Mexico to learn about the lives of those who live in the borderlands, and to encounter and respond faithfully to the human experience of migration, border enforcement, and detention. The **November/December 2023 Horizons** magazine is dedicated to the USAME. Within the pages of this issue, readers will find:

- Definitions and reflections pertaining to immigration and the migration experience.
- Insights on shifting borders and the patchwork of legislation and practices that govern how, where and when people can enter the U.S., written by Mark Adams, PCUSA mission co-worker.
- An article about Tucson's Southside Presbyterian Church mission of sanctuary and support for migrants and asylum seekers.
- Action ideas (personal as well as local) and links for further exploration.
- Participant reflections.
