

Let Justice Roll Down

God's Call to Care for Neighbors and All Creation

By Patricia K. Tull

With Suggestions for Leaders by Rebecca Barnes

Patricia K. Tull, author of the 2024–2025 PW/*Horizons* Bible study *Let Justice Roll Down: God's Call to Care for Neighbors and All Creation*, describes her call for creation justice in this way: “When I first learned of the climate crisis, I wondered how a biblical scholar with few practical skills could help and found my purpose in learning about ecology and teaching people of faith what I could. Such is not everyone’s skillset or desire, but each of us has something to do with all our hearts.”

We invite you to join Presbyterian Women as we explore, with all our hearts, God’s call to care for our neighbors and for creation. Readers will learn about ecological systems, the challenges we face in this time of accelerated climate change, and the possibilities available to address or counter the impact of human-made stress on our environment. Further, readers will explore theological questions that point us to act and engage, in small and large ways.
